

Banner

ORIGINAL EQUIPMENT

Leading vehicle manufacturers trust Banner.

Banner represents a synonym for:

- Leading battery technology
- Absolutely punctual delivery
- Top customer service

Outstanding quality and reliability are prerequisites in this regard. Accordingly, Banner numbers among the top sub-suppliers to leading, international vehicle manufacturers.

The trade as a partner.

Banner supplies thousands of retailers around the world. This means that Banner batteries provide reliable starting in over 50 countries. Moreover, things do not stop with delivery. Every specialist dealer receives active sales support from Banner in the shape of brochures and displays, which generate promotional impulses and cement the successful partnership between Banner and the retailer.
