Betritt: Changes of type/part numbers

Dear customer and sales partner,

as we have already informed you in advance, we have a few changes of part numbers in our current product portfolio by the 1st of April 2018. Consequently, this results in adjustments of type/part numbers.

These changes result from internal adjustments. The products themselves will be delivered to you in the quality and availability you are used to.

Please use the new type/part numbers for your orders from the 1st of April 2018 on.

The following type/part numbers are affected:

Type-/part number OLD	Type-/part number NEW by 1st of April 2018
Running Bull EFB 560 00 / 012560000101	Running Bull EFB 560 11 / 012560110101
Running Bull EFB 565 00 / 012565000101	Running Bull EFB 565 15 / 012565150101
Running Bull EFB 565 01 / 012565010101	Running Bull EFB 565 16 / 012565160101
Running Bull EFB 570 00 / 012570000101	Running Bull EFB 570 11 / 012570110101
Running Bull EFB 595 00 / 012595000101	Running Bull EFB 595 15 / 012595150101

We kindly ask you to consider these changes in your systems as well!

With kind regards!

Banner GmbH
