Declaration of Conformity to California Proposition 65

As an Austrian manufacturer of lead-acid batteries, we exclusively use substances and mixtures in accordance with article 6 REACH regulation (*EC no. 1907/2006*) and the California Proposition 65 (*Safe Drinking Water and Toxic Enforcement Act of 1986*).

This letter is to assure that the above-mentioned product(s) made from above-mentioned company do not contain any of the CA Prop 65 Substances updated on February 25th 2022, or do contain the CA Prop 65 substance(s) but satisfy the CA Prop65 Safe Harbor requirements.

The commodities, which are used in the production contains lead metal (CAS-Nr. 7439-92-1) of more than 0.1% weight by weight.

Furthermore we declare, that our finished products contain no other substance, which are mentioned on the lists with a concentration of more than 0.1%.

This information refers to the current version of the list. All additions to the list will be observed by us carefully on a regular bases.

Best regards,
